Five days per week	\$675/mo.	\$3037.5/sem.	\$6075/yr.

\*Snack Fee \$30/semester

The annual budget of the preschool is determined by the enrollment and tuition. Tuition is based on a yearly fee for the school year. Holidays and school closures are taken into consideration when tuition rates are established. The tuition rate is applicable from the date your child begins preschool until the end of the school year, regardless of absences of your child.

Refunds, deductions or substituting days for dates the preschool is closed, will not be made or permitted unless approved by the Preschool Board. However, if your child misses a day that the preschool was in session, your child may make up the missed day by attending another day if space allows and is approved by the director.

Families may pay tuition in one of the following ways:

1. **Annual Payment:** Paid in full the first day your child attends preschool.
2. **Semester Payment:** Paid in two semester payments.
  - First payment due first day your child attends preschool.
  - Second payment due January 15.
3. **Monthly Payments:** Paid in nine monthly payments, due the first day of the month your child attends preschool.

\*Registration fees are non-refundable.

I agree to pay all tuition and fees stated above to Redeemer Lutheran Preschool for the 2017-2018 school year and choose the \_\_\_\_\_ option for payment.
